E-MAIL CONTACT@PAULRAYMONDMEDIA.COM

Dear Mayfair,

I just had to write in and tell you about the week I've had. I work for a major credit card company in London. It's all pretty boring so I won't bother you with the details except to say that I am a manager with four young staff working under me.

Anyway, there's this woman, Leslie, who works in another department, who's always had the hots for me, but since I already have a girlfriend, I've done nothing about it, I've just been en-joying the attention she's given me. Until last week, that is.

I've been having a bit of a rough time with my girlfriend at the moment, we're not really getting on, and as a result I'm not getting any action at all. So when Leslie suggested we pop upstairs Monday afternoon, I was all for it. The two floors above ours are empty so I was pretty sure what she wanted.

When we got to the floor above, Leslie led me into an empty office and backed me onto a desk in the corner.

"You know I've been after you for a long time, don't you?" she coyly asked. "And now that I'm leaving, I think it's about time I got to know you a bit better," and with that she kissed me fully on the mouth, sliding her tongue between my lips and wrapping her arms around me, nestling her waist between my thighs. My dick grew hard instantly, pressing urgently up against her stomach. To my shock and total delight Leslie dropped to her knees and undid my trousers, pull-ing my dick free from the waistband of my boxers. Then she looked me in the eye and slowly kissed my cock, gently wanking it with her right hand. I was in heaven!

"She held my gaze the whole time, squeezing my balls and twisting my dick as she bobbed her head back and forth."

"Mmm," she murmured as she lowered her mouth onto my dick, sucking and licking it like she was in love with it. I couldn't believe it, I was getting sucked off at work by a fit blonde bird and it wasn't even Monday lunchtime! But just as I was really beginning to enjoy it, she stopped and said, "I think we'd better stop this now, before it's too late."

I was gutted but could hardly complain. The thought of what had just happened kept me com-pany as Leslie slipped out of the room and back downstairs while I waited for my cock to go down. For the rest of the day, Leslie kept up a stream of suggestive emails and I went home that night in a horny daze.

The next day, the same thing happened. Leslie called me and suggested we meet upstairs, then she started sucking my dick until I was almost ready to come in her mouth, and then she'd just as abruptly stop and leave me frustrated, with a heavy sack and a saliva-slick dick.

By Thursday I was a ball of sexual frustration. Her leaving do was that night; this was the last time I'd see her alone, and this time it was me who suggested we go upstairs. I met her in the corridor and she giggled and took me by the hand, dragging me up one flight and into 'our' office. I undid my trousers and pulled my cock out. I was already hard and couldn't wait for her to start sucking.

She dutifully knelt in front of me and I pushed my cock into her mouth,

Dear Mayfair,

I just wanted to drop you a line and let you know that Ella Hughes is THE hottest Red head in glamour today. Seeing her pictures in Mayfair last month was all I needed to drain my balls.

I have this recurring fantasy that she comes round my house one evening, dressed not dissimi-larly to how she was in Mayfair Volume 56 Number 02, and wanks me off with her panties while we look through my jazz mags together. Call me strange, but I've always wanted to have a woman pleasure me while I look at porn – something that obviously calls for a very under-standing partner. But, being the great Ella Hughes, she has no such inhibitions, and even pro-vides a stream of dirty talk as we flick the pages.

"Wouldn't you like to watch me tongue her ass?" she says, and "Imagine shooting your hot load on those tits . . ."

This, combined with her rhythmic wanking action as she glides the soft, warm gusset of her panties up and down my turgid pole, sends me completely over the edge.

Hips bucking uncontrollably, my cock spasming, I fill her gusset with spunk. Carefully unravelling them, so as not to spill any of the proceeds, she quickly slips the gooey knickers back on and then starts to

massage her crotch through them, groaning with pleasure all the while.

Easing herself back on one elbow, she then pulls the sodden lace to one side so I can feast my eyes on a truly beautiful sight – great oozing gobs of my cream smeared all over her juicy, wet, beautiful labia.

"Oh look," she says, "I'm all messy!" then she's gone into the dark night.

Well, I hope you've enjoyed reading my fantasy as much as I've enjoyed telling you about it.

Carl, Barnsley

Hi Carl, you've put a lot of tought into what you would do if you ever met Ella, good luck with that!

Dear Mayfair,

Calling Amy Green a Stunner last month is an understatement! She's a stunner any month. The double spread of her showing her gorgeous pussy and tits, gave me a really big hard on. I was looking at her picture while I was in the lift going up to my flat, my cock was really bulging in my trousers so I had to wank myself off right there and then.

I always shout 'come on!' when I'm wanking, so no doubt the whole block heard me tugging away! When I got to the fourth floor, the lift stopped and I scrambled to put my cock away, but the doors opened faster than I could fold my hard on up to reveal this sexy brunette. Awkward isn't the word. I didn't know whether to front it out or push past her and hide for a year! To my surprise, and absolute pleasure, she stepped into the lift and said, "Ooh, what have we got here then? That looks like a nice, big, hard cock. Mind if I touch it?"

She knelt down in front of me and begun to suck on it like it was the most normal thing in the world to do. The only thing I could think of doing was pressing the button to get the lift going again. I live on the 13th floor but by the time we got to the seventh I had come, filling this strange girl's mouth with my spunk. She stood up, pressing eight as she rose, licking come from her lips, and stepped out of the lift when the doors opened without saying another word.

Steve, Amersham.

Dear Steve, We couldn't agree with you more, Amy is a stunner every time she appears in one of our magazines! And we've got some good news for you, she's just been back into our photo studio so you won't have to wait very long to see her again!

had come, my balls explod-ing with a week's worth of spunky backlog, filling her mouth so much that some of it burst out the sides and dribbled down her chin. It was probably the best blow job I have ever had and I stifled my groans as Leslie cleaned my dick off with her tongue, licking it until it had become limp before tucking it back in my pants and saying,

"So, are you coming to my party tonight? "

Can you guess what happened!?!

Gaz, Colliers Wood.

Dear Mayfair,

One night the other week, I was out on the pull with a few mates. We were in this club, eyeing up the birds, when I bumped int my old biology teacher, Miss Love. Miss Love's about 38 (I'm 20 now) and her slim figure, long curly hair and bubbly personality made her pretty popular with all the boys back at school.

As we chatted, she teased me by asking me if I'd ever fancied her when I was at school. Too right I did! My bright red face answered her question before I could open my mouth. Then she invited me back to her place.

"Shall we finally get that crush out of your system?" she said with a sexy, knowing smile. In her bedroom, Miss Love had me starkers within seconds, feeling my swollen, throbbing cock and squeezing my balls. I lay back on her bed and watched as she slipped out of her sexy black knickers and stood before me totally naked. Miss Love crawled up the bed and wrapped her hand around my quivering shaft. She gently wanked my prick then lowered her mouth to it and licked up and down my knob. I gasped as she took the purple head of my dick into her mouth and swirled her tongue slowly around it before swallowing my entire length.

Keeping my cock in her mouth, Miss Love manoeuvred herself around until her firm little

bum was above my face.

She writhed as I fingered her juicy pussy. I licked out her hole and flicked my tongue over her clit, lapping up her juices as she came all over my face.

Miss Love squeezed my balls and vigorously wanked the base of my cock as she sucked me off. My horny ex-biology teacher soon brought me to my limit; my cock twitched and filled her mouth with a full load of hot, thick spunk. As I came in her mouth, Miss Love sat up and ground her sticky cunt further into my face.

She arched her back as a massive orgasm overwhelmed her and I continued to lick away at her tasty fanny.

I felt my cock come back to life and Miss Love leaned forward and took my length into her mouth – my cock was hard again in no time.

She climbed off me and got on the bed with her arse in the air.

I got behind her and slid my cock all the way inside her tight fanny and started to pump hard. She pushed her face into the pillow as I thrust in

parting her lips for her with my helmet. She held my gaze the whole time, squeezing my balls and twisting my dick as she bobbed her head back and forth.

I was trying as hard as I could not to come, thinking that this was going to be a re-run of the rest of the week, until Leslie stopped sucking for a moment and said, "You can come in my mouth today . . . if you want to."

Those were the words I had been waiting for, and within a minute I

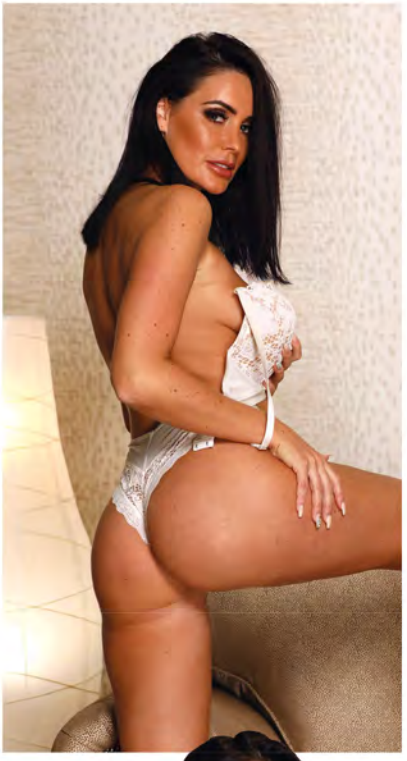
EMMA



Emma Green was the topic of conversation when we bumped into a group of her fans at a recent adult event, and we were quite shocked when we asked them what their favourite feature of hers was! You would have thought that they would have gone straight for her breasts, or maybe her arse at a push, but no, they all agreed that it was her lips! And we asked them why. “Well, she’s got a great arse, pussy and pair of tits, but we’d love to feel her luscious lips wrapped around our cocks, deep throating us until we cum. And then after that we can turn our attention to her other ample assets.” Fair enough. “Yeh, you get to shoot your load early in her mouth and then save the good stuff for the rest of her.”

and out of her hole again and again.

She moaned and groaned in pleasure as wave after wave of orgasm swept through her body.

I pumped faster and faster until I finally grunted and shot my sticky cream up her hot cunt.

I pulled out and covered her bum cheeks and back with the remainder of my jism.

Miss Love may have once been my biology teacher but I never had a lesson like that in school!

JG, Glasgow.

Dear Mayfair,

The other weekend, my local supermarket decided to hold a singles only shopping night. I spent so long getting ready and shaving my pussy that, by the time I arrived, the place was virtually empty except for a few guys. Despite that, my slutty outfit of outrageously short belt dress and low-cut crop-top afforded me their full attention.

And I rewarded them with a flash of my freshly shaven pussy.

Watching the reaction on a guy's face (and in his trousers!) as his gaze unexpectedly fell upon my pouting, shaven pussy, made all the effort worthwhile but left me very frustrated.

Arriving at the frozen food aisle I saw a handsome guy and decided to give him a flash too. Bending over the freezer cabinet, I hitched up my skirt and spread my legs, giving him a grandstand view of my juiced-up slit. To my surprise and delight he came over, stood behind me and began running his hands up and down my silky thighs, each time getting nearer and nearer to my cock-craving cunt.

As he did so, he whispered in my ear what a dirty, cock-loving slut I was and then, without warning, he thrust first one and then two fingers inside my greasy slit, causing my knees to almost buckle with excitement. Slowly, he began to work his fingers in and out of my cunt with a steady rhythm. I couldn't believe I was being finger fucked in public by a total stranger but I was soon begging him to make me come.

As the thrusts reached a crescendo, he suddenly pulled out his fingers, brought them to my mouth and made me lick my own cunt juice from them. I licked the last drop from them and almost fainted with delight as he thrust his big, thick, hot cock straight into my sodden pussy and began to fuck me with smooth, gentle strokes.

Being fucked in public by a total stranger was so unbelievable, I felt like the ultimate fuck-toy. And as we fucked there was a series of low moans as, one after the other, the guys watching us wanked themselves to a climax. Finally, as my fucker gave a low, orgasmic groan, I implored him to shoot his come all over my pussy. As squirt after squirt of creamy white come cascaded over my pussy lips, I rubbed it in and masturbated myself to an incredible climax, giving the horniest moan of all.

Rozanne, London.

Dear Mayfair,

You'll never believe what happened the me last night. I came home early from the pub and caught my bird wanking over Ava DeLush's pictures in last month's Mayfair! She was as embarrassed as I would have been if she'd caught me doing the same but I told her it was alright and that if she didn't mind, I'd like to watch her finish herself off. I sat on the edge of the bed and gently teased her legs apart until I could see her pus-sy, wide open and glistening with juice. She shyly began to rub her clit and I asked her what it was that she was wanking about.

"It's these pictures of the brunette girl. I found your mags and was angry at first, but then I flicked through them a bit and kept stopping on her pages. She's so sexy I couldn't stop thinking about her. I'd love to have her eat my pussy out," she said, slipping a finger inside her twat. I asked. her to tell me her fantasy as she wanked for me. She was imagining Ava straddling her face, rubbing her cunt all over her mouth as she stuck her tongue inside her cunt. She even wanted Ava to lick her arschole and slip a finger in there! That's when I stopped her wanking (even though she's never wanked in front of me before) and told her that I'd lick her arschole and slip more than my finger in if she wanted. She readily agreed and that night I got to fuck her in the arse for the very first time! Mayfair is the gift that keeps on giving. Thank you!

Aaron, Farnham

Dear Aaron, Glad that we can be of service over here at Mayfair and congratulations on gaining your anal wings. I hope it's the first of many adventures down the rabbit hole. There really is no greater feeling that feeling a tight arse hole wrapped around a bulging cock is there?

STACEY SARAN

Stacey Saran really knows how to rock sexy lingerie! "Thank you! It's always something that I've done, getting dressed up in sexy underwear, because it gives me extra confidence. Your readers probably think that it's easy for us girls to take our clothes off in front of the camera but it's actually quite nerve wracking. Wearing something sexy has always helped me and given me a boost over the years. However, once I've gotten over the nerves and I'm completely naked there's no stopping me. Sometimes I think that I even scare your poor photographer when I really get going, and he's seen more than enough in his time for him not to be that shy!"

LELA STAR

Another month, another dazzling debutante who's got just what it takes to keep the spirits of Mayfair readers sky high! Lela Star (not, we suspect, the name she was born with) is one of those girls who's got such a naughty glint in her eye that even if she was dressed in the most respectable manner imaginable she'd still have the capacity to tent trousers at 100 paces! Given, however, that she's very definitely not dressed up in anything remotely respectable, but is, on the contrary, stripping off and playing with herself in the shower, then we reckon this set has got the potential to put a near fatal amount of lead in your pencil for at least two weeks! So, does the girl herself have any concerns about the effect she might be having on our readers? Seemingly not… "I'm doing my best to turn them all on as much as possible! If they can't handle it, perhaps they should stick to buying the Radio Times or something!" Well, if we had to plan our viewing for the next few days, we know which option we'd go for!

REE PETRA

It's been a while since we last saw Ree Petra in Mayfair but it's been well worth the wait. "I've been a very busy girl since you last saw me. I started my own little business away from the adult world and that's ticking along nicely but I couldn't resist dipping my toes in again!" And we're happy that you've kept true to your roots, and we think we can speak for our readers too. "It's such a difficult thing to drag yourself away from, I get such a buzz knowing that there are a whole load of hard cocks and dripping wet pussies out there, and it's all thanks to me." You're not at all arrogant now are you Ree? "Well, when you look like this, and you have as many fans as I do you can be a bit big-headed from time-to-time!"

DEBBIE

Classic MAYFAIR

Think of casinos, and most likely you think of some of the word's sickest resorts. Monte Carlo, Las Vegas, and all the playgrounds and tables of the rich, and so, surprisingly, there are a few of them in the northern English towns. It might be hard for the more sophisticated residents of the south east to imagine, but those traditional centres of industry are now as keen on roulette and blackjack as the gamblers of Monaco. Perhaps one reason might be 22-year-old Debbie Illingworth from Bradford who has worked in many casinos as a freelance croupier. Almost every night Debbie squeezes her 36-24-35 figure into one of her tight evening gowns, like the dress she's wearing here, and she drives to one of the north's casinos for six hours of hard work. Debbie finishes work at about 4am, which makes her social life a bit controversial. "I go home, and snatch some sleep, then generally get up at about lunchtime. The trouble is that when I feel like meeting people, they're still at work." What about the men she meets at the casino? "I never combine work with pleasure, it gets...

...too complicated," she replied at once, then her face softens. "Mind you, there are a few that I'd like to meet away from the tables." What does she do in her spare time? "I love driving on the moors, and meeting friends for a late lunch in one of the old stone pubs. It's great wearing old jeans and pumps after a night in the gown and high heels. You'd hardly recognise me."

NINA

Nina has felt guilty for a long time due to all of her sins, so much so that she tried joining her local monastery. “Nuns are supposed to be virgins and I thought I could become one of them and repent for all of my sins. I gave it a good go, but after one night without a hard cock inside me I realised that it wasn’t for me! I don’t know how these nuns do it, living a life with their legs clamped shut. I couldn’t even survive twenty-four hours with my habit on!” Well, it’s lucky that you left when you did otherwise the Friar would have broken his vow and tried to tuck himself inside you! Excuse the pun!

TIFFANY

Home Counties-based hottie Tiffany James went down a storm when we featured her in Men Only a little while back, what with her sultry gaze, stupendous boobs and… well, quite possibly the most enticing helping of pink lettuce we've ever seen in our lives (and we've seen plenty of helpings of pink lettuce!). All in all then, she was guaranteed another appearance in a Paul Raymond magazine and here she is! So what's she been up to since our paths last crossed?

"I think it'd be easier to answer the question 'What haven't I been up to?'!" she grins. "Anyone who follows me will know I'm a pretty open minded-sort of girl, and I've been having plenty of fun with guys and gals over the last few months. Who knows, maybe a few of your readers will have seen me in action?"

Well, if they have, we're pretty sure it's not something they'll be forgetting in a hurry!

E-MAIL CONTACT@PAULRAYMONDMEDIA.COM

My ex-girlfriend, Chloe, is a demanding little madam, and when we broke up last year I was glad to have a break from her continuous moaning. However, six months and two brief relationships later, I'm beginning to regret letting her go so easily. In fact, I'm finding it hard to get a girlfriend even half as hot or adventurous as Chloe.

I just split up with my latest girlfriend the other night, and this made me think so fondly of the filthy times Chloe and I shared.

Whatever her faults, Chloe never suffered from headaches. She was always right there in my face, demanding satisfaction.

She loved to talk dirty during sex and she was almost always up for anal, no holds barred. Not many birds will go that far, but Chloe knew she had a gorgeous big arse and she genuinely enjoyed some back door action.

On many occasions she would practically jump me as soon as I walked through the door, grasping and squeezing my tackle through the crotch of my jeans and demanding that I fuck her.

Thinking back, I remembered she had given me plenty of warning about her sexual needs. So much so that, even in the early days, I was not a bit surprised when one time she met me at the door of the flat we shared, waving my camcorder and suggesting we film ourselves shagging.

Aiming the camera at my crotch, she giggled as she told me we were going to make our own "fuckumentary". I really didn't care, just so long as it involved pumping her within an inch of her life. We made our way through to the bedroom, with Chloe talking dirty and filming us as we grabbed and groped one another through our clothes.

Once we were in the bedroom I was all for just ripping my kit off, but Chloe parked the camera on the bedside locker, aimed it at us, and then she started to strip me, caressing my cock and arse-cheeks as she lowered my jeans and boxers. Eventually she tweaked my throbbing cock-head cheekily with her fingertips and handed me the camcorder.

I was gagging to fuck her, but as she was stripping like a professional I held the lens on her, thinking it would be hot to watch and masturbate to in the future. Chloe teased me as she dropped her clothes on the carpet, rubbing up against me and pulling on her own nipples until I felt ready to throw the camcorder out of the window and just pounce!

Then she lay back on the pillows, and, spreading her legs wide, she pulled her pussy lips apart so I could get a close up with the cam.

"Play with my wet cunt," she demanded, taking the camcorder from me and pointing the lens at her fanny. I

> "Her curvy bum cheeks wobbled as my fingers parted her deep crack to reveal the pale pink crown of her wrinkled anus."

wasn't sure if she would get any sort of decent footage from that angle, but who cared? Not me. By this time I just wanted to slam her pussy.

I placed a finger on her clitoris and began rubbing it, making her pussy juices trickle. I massaged them between her thighs and underneath her, heading towards her anus. Chloe closed her eyes and began to tell me about how she wanted to be fucked in both holes, and how she wanted me to use her body and then to cum in her face like she was a porn star. She kept telling me how badly she wanted to taste my cum.

The naughty little minx knew how to get me going every time. My boner was aching and my balls were close to erupting when I heard her mention anal.

Promising her that she would feel my cock in both holes, just like she wanted, I began to frig her fanny hard with two fingers while gently teasing her anus with the index finger of my other hand.

With my fingers still buried deep in her pussy I sucked her nipples, driving her nuts and only raising my face to tell her again that I was

going to fuck her arse.

Chloe moaned in approval, so I clambered between her thighs and pushed my stiff cock between her silken pussy lips.

Chloe's fanny muscles tightened around my shaft as I pumped my length in her wet hole. She laid the camcorder aside and dug her nails into my back, jerking her head back and rocking her hips as she ground into me.

I picked up the pace and got more aggressive, really pounding into her tight cunt and giving it the fucking she'd been begging for. Chloe was in full swing now, and as I continued to pound her she started to cum, her beautiful shapely arse bouncing on the bedspread as I drove my cock repeatedly into her dripping slit.

But I'd had enough of the vaginal for the minute. So I slowed my stroke, jerked my hips back and pulled out. I was about to position her on her hands and knees when Chloe slid off the bed, and, picking up the camcorder, she positioned it on a shelf.

Bending over, she placed her hands on the end of the bed, and, looking directly into the camera, she asked me to fuck her in the arse. Nothing would have stopped me at that point, and, taking some KY from the bedside drawers, I worked it into her cute little bum-hole. Chloe wriggled and muttered profanities for the lens as I loosened her up, getting her anus ready for my cock.

Placing my bell-end against her greased up anus, I moved it forward slowly, easing my knob just inside her puckered little ring. Pushing back against my cock, Chloe forced me deeper inside her, and with one slick thrust I was inside all the way. Her anal muscles squeezed tightly around my shaft as I began to fuck her.

And as she relaxed slightly I began to pick up speed, thrusting harder as I rode her tight ring.

Steadying myself with my hands on her hips, I withdrew for a few seconds, and then with one final plunge I re-entered her and I came. Chloe's arse slammed back against me just as I shot my spuzz, her muscles gripping my cock so hard that she drained my balls completely.

> "Her back arched and she thrust her hips up to meet the plunging tool, almost immediately bringing herself to a shuddering orgasm."

The first part of the film is okay, but the rest is a bit out of focus. All the same, I'm glad we shot it because even though we're no longer together I can still enjoy it. In fact, I might go and put it on now!

Kevin, Portsmouth MF

I am a Romanian student studying in England, and to help pay for my studies I work for a cleaning company three evenings a week. Recently I have been employed to help clean an office block in town, and I do one floor myself, emptying the bins and vacuuming the carpets.

Every time I've been to work there on a Thursday, one of the offices is occupied by a rather good looking guy in his 30s. He is always very friendly and appreciative as I clean up around him, and I must say I'd started looking forward to seeing him.

Last Thursday I knocked on his door as normal, and during our chat I realised he was paying me rather a lot of compliments as well as watching me intently as I worked.

I have always kept myself fit, and in the tight purple uniform I've been supplied with, my boobs and arse do look pretty good. Trevor sat at his desk as I emptied the wastepaper bin next to him, and I purposely made sure he got a good view of my bum as I bent down. As I stood up I couldn't help but notice the bulge in his crotch, even through his suit trousers.

Feeling a twinge of excitement, I stared directly at his lap and smiled as sexily as I could.

Without a word, Trevor reached out and squeezed my hand, obviously 'testing the water' as you Brits say. I squeezed him back and didn't resist as he pulled my hand onto the lump in his trousers.

I traced the outline of his hard dick through the material before gripping the shaft and squeezing it gently. Trevor slid his hand up my arm and down onto my tits, expertly flicking open the buttons on my blouse and reaching inside until his fingers touched the frilly

edging on my bra. I pulled down the zipper on his trousers and felt inside for his prick.

Dragging it out, I pushed the foreskin all the way back, exposing a lovely purple knob that was just asking to be sucked.

Trevor had eased his fingers inside my bra by now, and was cupping a boob as he stroked the hardening nipple with his thumb. I swivelled his chair so he faced me and knelt on the floor before him, lowering my face towards that inviting dick. Trevor leant back in his seat as I placed my lips around the tip of his meat and slid them slowly down the shaft, stroking his big, throbbing knob with my tongue as I did so.

Trevor yanked my tits clear of my bra and squashed them together around the base of his prick as I started to jerk my head up and down on his cock. He wasn't too big for me to get the entire length into my mouth, and as he mauled my tits around his balls, I sucked for all I was worth.

Trevor gave out a low moan and slipped his hands over my uniform towards my waist, making it obvious he wanted more than a quick suck off. I stood up, letting his glistening saliva-coated dick slip from my mouth, and wriggled my tight skirt up to my waist, exposing my taut black panties. Trevor immediately thrust his hand between my thighs and groped the damp satin covering my pussy mound.

I needed more and yanked the gusset of my panties to one side so he had easy access to my shaven fanny. Trevor inserted a finger into my hole and used my fanny juice to lubricate the opening, before penetrating me with two fingers together and pushing them all the way in until they completely disappeared from view. My knees felt weak as he worked them in and out, and looking at his gorgeous throbbing cock I moved closer and straddled his legs. With Trevor's fingers still embedded in my gash I positioned my pussy above his meat, and at the last moment he dragged his digits clear so I could lower myself onto him.

I sank down his shaft, relishing the feel of my slit being stretched by cock as

Trevor once again cupped my breasts, and leant forward so that he could suck a bullet hard teat into his mouth.

Nipping the tip playfully with his teeth while I buried his dick as far up my fanny as possible, we began to squirm against each other, hungry with lust. I lifted and lowered my pussy on his tool as he worked on my tits, sucking them one by one into his mouth while I moved my hand between us in order to rub my burning clit.

I flicked my hard little sex button in time with his pumping dick and came with a yell, my whole body trembling as my orgasm coursed through my hole. I could feel the love juice squeezing out from around his shaft, soaking his pubes and balls as I continued to ride him.

I could tell that Trevor was ready to shoot his load, and, rather than let him squirt inside me, I wanted to see and feel that lovely spunk, so I lifted my pussy clear and once more knelt before him.

I studied his cock for a few seconds before licking it like a lollipop so that Trevor could see my tongue taking the fanny juice into my mouth. I stared into his eyes as I then sucked his knob slowly and deliberately towards the back of my throat, cupping his balls in my hand and kneading them as I did so. Trevor's thigh muscles tensed and I knew he was on the point of no return. I positioned my gaping mouth an inch from the tip of his twitching cock and wanked the shaft.

The first spurt of delicious sperm landed squarely on my tongue and the second fired onto my cheek, dribbling down to my chin before dripping onto my tits. More and more jetted out of his throbbing cock, coating my face and neck with sticky semen as I lapped at my tasty treat.

As his balls ran dry, Trevor smeared the sperm around my lips, poking his sticky fingers into my mouth and I sucked them all clean.

Our love sessions are now a regular Thursday thrill for both of us, and my stay in England is proving to be very educational indeed!

Katia, Manchester MF

My girlfriend, Amy, looks sweet and very innocent, and I never guessed how mucky she would prove to be.

We had been going out for a while before I got to see this side of her. What happened to make her drop her defences I don't know, but when she did she gave me the surprise of my life. I've always had a thing for anal sex. I love it, but until Amy came along I rarely had the opportunity to indulge myself, because most of the women I have been with had no experience in this department and were unwilling to experiment.

I had taken Amy out for dinner one evening. The meal was fun and we drank slightly more wine than usual. We were relaxing over coffee when she surprised me by stretching her leg towards me under the table and caressing my cock with her foot. My knob responded and stiffened, and it was all I could do to suppress a moan of pleasure.

From there on, our conversation became much more sexual. It was then that she revealed that she had always enjoyed anal sex. In fact: apparently her favourite position was anal doggie! After that, she got even more graphic, telling me what things she wanted to try with me and making my cock so hard that I was glad of the tablecloth, because it hid my raging erection. She had never said a crude word in the time I had been going out with her, and although she was pretty hot in bed I certainly never expected this!

I encouraged her to talk, and hearing her excitedly telling me of her desires almost drove me to the edge. It took considerable willpower to prevent myself from blowing my load in my boxers. I asked for the bill, and before long we were back in the block where I live, kissing passionately on our way up to my flat. When we got there and I had closed the blinds and put on the lights, Amy seemed to have lost all inhibitions.

She immediately stripped off, carelessly tossing her clothes on the floor, then she stooped and rooted around in her handbag. The naughty little minx must have been planning this evening for a while, because she drew out a large black vibrator and switched it on. Sitting on the sofa, she began rubbing the large rubber phallus up and down her juicy pink pussy-lips.

I almost strangled myself trying to yank my tie off as I heard her whimper with excitement. My cock was swollen to the point of aching as she held the head of the big rubber bell-end directly against her clit, making her pussy hole contract and convulse. Her juices coated the thick dildo as she rubbed it over her swollen labia again, and then plunged it between them and worked it frantically in and out of her soaking slit. Her back arched and she thrust her hips up to meet the plunging tool, almost immediately bringing herself to a shuddering orgasm.

With the vibrating dildo still pushed inside her pussy, Amy turned around and knelt on the sofa.

Pushing her arse towards me, she looked back over her shoulder and asked me in a sultry voice if I would like to fuck her there.

I was naked, with my hard cock in hand, just staring at her perfect rump. Her arse was a sight to feast the eyes on; beautifully formed, rounded, and as pale as porcelain. Her curvy bum cheeks wobbled as my fingers parted her deep crack to reveal the pale pink crown of her wrinkled little anus. Downy wisps of her blond pubes peeped between her legs from her mound, and she had the most beautiful, tight bum hole I have ever seen.

"I flicked my hard little sex button in time with his pumping dick and came with a yell, my whole body trembling as my orgasm coursed through my hole."

I immediately began pleasuring it with my tongue. Amy made little excited noises as I lapped, stopping only when I paused to squeeze some lube onto my fingers and carefully and gently probe the satin interior of her bottom. She wriggled and squirmed onto my fingers as I eased two inside her tight ring, one at a time.

With my other hand I massaged her clit, making her groan, and she felt around with one hand for the big rubber dildo, pushed it in her pussy and plunged it in and out. Soon Amy was gasping with pleasure and she came repeatedly, her pussy spitting her juices out onto the thick black phallus that was pleasuring her pussy.

It was the most incredibly exciting display I had ever seen, and, urged on by her uninhibited one-woman sex show, I began nudging my cock against her pretty ring.

I pressed it hard against the opening and pushed my way inside, and to my surprise it sunk in quite easily. Amy was too relaxed to be an anal virgin. She dipped her back, moaning with pleasure as I began shunting my hard cock in and out of her tight rectal passage. I was careful at first, but I quickly became more vigorous as I felt her relax even more, and soon I was fucking her arse with complete ease.

Amy was warm and very tight, and it was blissful the way her bum muscles gripped and held my shaft, milking me to an amazing climax. She gasped again as I came inside her lovely anal orifice, her ring-piece twitching as I fired out the last drops of my seed.

As my cock softened and I slid out of her, I pulled Amy gently into my arms, feeling tender towards her. Our lips met, and when we broke our embrace she smiled at me shyly and promised that we would be repeating the night's exercise again very soon. Here's hoping!

WANDA

We A few months back we took Wanda out for what passes for a round of golf in naughty mag circles – she swished the club a few times before taking her clothes off for us while we took pictures. Well, one way or another we all got a bit hot and sweaty and once we were done Wanda announced that what she really wanted was a nice relaxing bath. Now say what you will about us here at Mayfair – we know a golden opportunity when we see one, so we asked the lady herself if she wouldn't mind mixing a little business with pleasure by allowing us to capture her bathing frolics for posterity… and for you lot. The result? Well, here they are – two of the finest boobs in the world, attached to one of the prettiest girls, all getting slippery and soapy in the kind of bath party we can only dreamt about!
